About This Package

The Maldives is a tropical island nation in the Indian Ocean, southwest of Sri Lanka and India, made up of about 1,200 small coral islands grouped into 26 atolls. Known for its crystal-clear waters, white sandy beaches, and vibrant coral reefs, it is one of the world's lowest-lying countries, with an average elevation of just 1.5 meters above sea level. Its capital, Malé, is densely populated, while much of the country is devoted to tourism, which drives the economy alongside fishing. The Maldives has a tropical climate with warm temperatures year-round and a culture influenced by South Asian, Arab, and African traditions, with Islam as the official religion.
